

The background of the cover is black. It features a stylized, repeating pattern of white and yellow elements. The white elements consist of long, thin, diagonal lines and clusters of small, white, almond-shaped shapes. The yellow elements are larger, more complex shapes that resemble stylized leaves or petals, also arranged in a repeating pattern. At the top, three white five-pointed stars are spaced across the width. The title text is in a bold, blue, sans-serif font, slanted upwards from left to right.

# The Axemoor Baronet Word

Greetings Family,

Well, another month of Summer is down. We now enter what has historically been both the hottest... As well as the most dangerous part of the year in the South. By heat, for our new affiliates to the Barony, We can expect to see temperatures almost over 100 degrees. Add in the humidity and you've got a recipe for heatstroke. To add to this, we are entering the most destructive part of the hurricane season. It's time to prepare for both.

Remember, when dealing with the heat, stay hydrated and maintain your body temperatures. If you're just starting to drink fluids when you feel thirsty, it's too late. When we're outdoors, stop and drink water as often as you can.

As far as hurricane season is concerned, please take time to come up with a plan for what you are going to do in case of a forced evacuation or if you are staying home. Make sure that you have all of the necessary emergency equipment (batteries, candles, flashlights, etc).

If our luck does fail and a hurricane heads towards us, please ensure that someone in the Barony knows how to contact you and that you are able to contact them. During Katrina, the most difficult thing to deal was the unknown when it dealt with safety of our people.

Now on to some happier thoughts... With summer coming to a close, we get to look forward to event season picking up. With that we have some great events coming up throughout the Kingdom and just outside. For those planning on making long treks, We encourage you to communicate amongst each other. Her Excellency is preparing to drive to A&S. His Excellency is making preparations for Diamond Wars and Bordermarch and then before you know it, Christmas Revel will be on top of us. We encourage all of you to get out and see the rest of this great Kingdom. While you're prepping, We would also challenge you to think, "Who do I know who might enjoy the SCA as much as I do?"

Based upon the town hall meeting, you can all gather that We, as well as Baron Dafydd, are greatly concerned with the decline in membership and funds in Axemoor. If any of you have ideas to improve either, please bring them up. Ideas don't need to come from the Baronage or an officer to be good. We encourage all of you to come up with ideas for making improvements.

As always, We look forward to seeing all of you and thank you for your continued support to this great Barony.
