

The background of the cover is black. It features a stylized, repeating pattern of white and yellow elements. The white elements consist of long, thin, pointed shapes that resemble leaves or petals, arranged in a series of parallel lines that create a sense of movement. The yellow elements are thicker, more solid shapes, also arranged in parallel lines, interspersed with the white ones. At the top, three white five-pointed stars are positioned above the main title. The title itself is written in a bold, yellow, sans-serif font, slanted upwards from left to right.

# The Axemoor Baronet Word

Greetings Axemoor Family,

October is upon us and we are going to be BUSY. With event season comes with a lot of traveling and even more preparation for things at the local level. Her Excellency and I are looking forward to finally finding out who our Baronial Champions for Heavy combat will be. We want a large showing for Saturday's demo with all the pageantry you can bring. Her Excellency has worked diligently to advertise the event and we are hoping to see as many people as possible from the throughout the Kingdom.

After the Heavy Championships, I and a few others from within the Barony will be travelling North to protect our borders from outside incursion. Diamond Wars is sure to be an amazing event and I am looking forward to representing the Barony to our Northern Cousins of Small Grey Bear.

November then brings Border March's Autumn Melees (BAM!!! BAM!! BAM!!!) upon us. I know that many are preparing for this as well. With all the traveling that many of us are expecting to do, we beg each of you to ensure your method of transportation is safe and road worthy.

Also remember that you should be seeing the ballots for Baronial polling in the mail. We wanted to let you all know, that no matter how the polling turns out, Her Excellency and I have been proud to serve as your representation to the crown. It has been an amazing 3 years and We thank you for them. Should His Excellency, Dafydd be stepping up to take Our position, we welcome him and want him to know that we couldn't be prouder to turn the position over to him and that we know he will do an amazing job. He would always have, just as he has always had, our unwavering support.

Following BAM, we enter December. By this point Mistress Martha, Lady Annette, and Lady Aofie should have an abundance of volunteers for Christmas Revel and We know that the group will shine as always. Their Majesties, as well as Ourselves, need one thing from all of you. Letters of intent need to be sent upwards. We have very few submitted to Us. Would the secretaries of the Orders please begin posting to their perspective e-groups so that we can ensure that those needing proper recognition receive it.

It's going to be a fast and furious few months ahead of us, and those months don't end after December. But we'll focus on the New Year next month....

Thank you all and we are looking forward to everything the next few months have in store.

IS

Gellir Gunnarsson & Brigida Ingvarsdottir
