

June 2019

Bayou Tapestry

The newsletter of the Barony of Axemoor, representing New Orleans, Slidell and the Bayou areas, Kingdom of Gleann Abhann

Greetings to all,

We wish to thank everyone for their prayers and support for Her Excellency and I at this unexpected time.

Since we have so many new to us members, we will be having a Meet and Greet BBQ in conjunction with the Trailer Repack and Reload Inventory on Saturday, June 15th. His Excellency and Bootleg will be cooking a whole pig, so sides and beverages are welcomed! Any and all are invited to this, so please pass the word!!! If you would like to work on an A&S Project or need help with something, bring it along!!

Thank you to Mistress Pasha and Lord Erik for starting a Sewing Social and Armor Workshop on Thursday nights for any and all interested. Sewing Social will eventually be rotating between North and South shores of the Barony. Currently I think there is a call for making the cool and comfy Bog Dresses for hot weather wear for the Ladies so, please stay tuned to the Baronial Channel!!

For the Fighters and anyone else interested, June 22nd will be melee practices and an A&S day at the home of Their Excellency's Egil and Martha in Lumberton. This will be potluck, grill and visit day as well. If you need crash space, there is some available just please make arrangements with them ahead of time.

The July Business Meeting will be held in the pool at the home of Their Excellency's Bacon in Chalmette, further info to follow.

With the unusually hot weather we are having, please do not forget to Hydrate, Hydrate, Hydrate!!! If you do not care for plain water, add an electrolyte packet to it, a squeeze of fresh lemon, lime or orange and the slices all of which will help to give a little flavor to the water.

In service,

Dafydd ap y Kynith, OP
Baron

Tegan verch Dwgan, OP
Baroness

More upcoming events in the kingdom newsletter

I'm sending this to
The Bayou Tapestry!
I'll be history!

How Can You Contribute to The Bayou Tapestry?

As special correspondent at an event. Going to Pennsic? An article or a paragraph and a few pictures would make a great addition. Going to a kingdom event for the first time, or the 25th time? Even a few lines on your experience as a newbie, or what keeps you going back.

Are you a Peer? You have a wealth of knowledge to share! Have you shared it elsewhere already? Send me the link and I'll handle the rest.

Saw an article in a publication from a museum or historic publication that you enjoyed and found informative? Others will too.

Have a recipe using chickpeas, and you found it to be delicious? Chickpeas are period, and still enjoyed. Who doesn't love hummus? Well, there's other ways to eat them. Share your chickpea (or meat, soup, stew, veggie, sweet, savory) recipes.

Are you a scribe, artist, storyteller? Get featured! Know someone that should be featured? Email me, and I'll contact them if you don't want to.

Signed releases are required for all writing, models, and photography. I can help you with this if you have never filled one out.

All newsletters are shared with the Society Archivist, and kept as a permanent record. Become part of history!
